

FROM American Building Restoration Products

The ultimate, reusable solution in eco-friendly, ecologically safe finish removers formulated for professionals and do-it-yourselfers.

U.S. Capital Building

Maryland State Capital Building

ABR® Citrus Formula Paint Remover Paste is the ideal solution for any size project, such as removing thick layers of paint from the exterior of our national landmarks, to the intricate details of this light fixture.

ABR® Citrus Formula Paint Remover is the industries most cost effective, non-caustic, biodegradable stripping formula designed to remove multiple layers of latex paint, oil paint, varnishes, stain and more in one application, alleviating any guesswork.
